

Pregnant?

The Premier Place in North Carolina
to bring your baby into the world

Features

Home atmosphere
Private, quite, safe environment
No unnecessary medical interventions
Extremely low c-section rate
"Rooming in" is the ONLY option
Freedom to make decisions about your birth, which are respected
Waterbirth

You will enjoy

A professional, caring, supportive midwife to attend your birth
Freedom to eat & drink, as you want
Freedom to move around as you wish
The perfect environment for mother-infant bonding
Emotional support through pregnancy & birth
A less painful and shorter labor
A family friendly environment

After the birth you have

In-home postpartum care
Support and instruction on nursing your baby
An easier recovery
Happy memories that last a lifetime!
